

32nd Annual Holiday Printmakers' Sale and Exhibition Dec. 9, 2016

to benefit the Printmaking Area & Students, Center for the Visual Arts, Illinois State University

This year's print sale and exhibition will be held in the **Lithography Studio, CVA Room 127** on Friday, December 9, 2016, from **8:00 a.m. until 5:00 p.m.** We encourage all Illinois State University Printmaking students, faculty and staff to participate in the exhibition and sale.

SPECIAL EVENT: A preview time for members of the Friends of the Arts organization will be held on Thursday, December 8th from 5:00 to 7:00 PM, **therefore it is best to have your prints turned in early.**

Artwork will be accepted for the sale in CVA 123 (Intaglio) on Wednesday, Dec. 7th from 9:00 a.m. to 6:00 p.m. and CVA 129 (lithography) Thursday, Dec. 8th from 10:00 a.m. to 12:00. The Artist's Agreement form must be completed and submitted with your artwork in order for it to be accepted and placed on display. Please fill in your name, address, and zip code on the Artist's Agreement form. **Please use the mailing address where you would like to receive any payment due to you as a result of the sale with consideration that the checks will be sent out during break.** The University will write checks from the proceeds after the sale. Twenty percent (20%) of all sales will be used to support the Illinois State University Printmaking Program. This donation will be deducted from the prices listed on the Artist's Agreement form.

All prints must be archival quality. Wrapping prints in acetate, clear cellophane, or shrink-wrap is not required, but is the best assurance that they will not suffer from handling by the public. Framed works are accepted, however, framing is not necessary. Each item should be marked clearly with the artist's name, title, price, and corresponding number from the consignment list. The price tags must be securely attached—any price confusion resulting from price tags that have fallen off will be the responsibility of the artist. Please respect the printmaking classes in session on Wednesday and Thursday. Preparation of finished prints and paperwork should be accomplished outside of classes.

The print sale needs volunteers to function and patrons often like to meet the artist of work they picked, so volunteering can be a way to make connections and help future sales as well. You may include an artist's statement and/or biography (less than a page) with your forms. Unsold work may be picked up at the close of the sale **Friday, Dec. 9th at 5:00 p.m. and Monday, Dec. 12th from 9:00 a.m. to 12:00 noon in CVA 129.** Please make an appointment if another time is necessary (438-7530). Unsold work not picked up by Thursday, Dec. 15th will be disposed of at the discretion of the printmaking area.

Reasonable care will be given in the handling of the work during the sale. However, the printmaking area does not provide insurance against nor assume responsibility for loss or damage to submitted work. By participating in this sale and exhibition, the artist accepts the terms of the agreement.
